

# MEET YOUR TEACHER

## MISS JO (JOHANNAH)

### HELLO!

I grew up in Georgia as well as the lowcountry of South Carolina and I have since lived in Maryland, Colorado, Florida and now Utah! I hold a Masters in Early Childhood Special Education and a BFA in Painting and Creative Writing. I enjoy traveling and exploring new places. I had a very adventure filled summer full of sailing, skiing, backpacking and camping. I also spent some time in Colorado teaching art. When I am not in the classroom, I can be found adventuring outdoors or at home making art, reading, gardening or spending time with my husband and our dogs, cats, redfoot tortoise and chickens.

### I'M LOOKING FORWARD TO...

working with you and  
your family this  
school year to learn  
and grow together!
